|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--------------------------------------------------------------------------------|------------------|-----------------------------------------|-------------------|
| Section I | Manufacturer's Name: Brain Power Incorporated (BPI) | | Emergency Telephone Number: 305-264-4465 | | | |
| | Address: 4470 SW 74th Avenue Miami, Florida 33155, USA. | | Telephone Number for Information: 305-264-4465 | | | |
| | | | Date Prepared: 1 May 2008 | | | |
| Section II | Hazardous Components Specific Chemical Identity; Common Name (s) | | OSHA PEL | ACGIH TLV | Other Limits | % Optional |
| | None known | | Not applicable | Not applicable | | |
| Section III | Boiling Point: N/D | | Specific Gravity: (H₂O=1) N/D | | pH: N/D | |
| | Vapor Pressure: (mm Hg.) N/D | | Melting Point: N/D | | | |
| | Vapor Density: (AIR=1) >1 | | Evaporation Rate: (Butyl Acetate =1) N/D | | | |
| | Solubility in Water: Dispersible | | Appearance & Odor: Milky white liquid, faintly characteristic odor. | | | |
| Section IV | Flash Point: (Method Used) >250°F (PMCC) | | Flammable Limits: No data | | LEL: No data UEL: No data | |
| | Extinguishing Media: Water fog. Dry chemical, carbon dioxide, foam | | | | | |
| | Special Fire Fighting Procedures: Wear self-contained breathing apparatus and protective clothing to avoid personal contact. Cool all exposed containers with water. | | | | NFPA CODES | F: 0 |
| | Unusual Fire and Explosion Hazards: Toxic gases may be evolved if product burns. Closed containers may burst if exposed to flame or heat. | | | | | H: 1 |
| | | | | | R: 0 | |
| | | | | | S: N/D | |

The information contained herein is based on data believed by Brain Power Inc. to be accurate, but we do not assume any liability for the accuracy of this information. We neither suggest nor guarantee that any hazards mentioned are the only ones which exist. Anyone intending to rely on any recommendation or to use any equipment, technique or material mentioned should also satisfy himself that he can meet all applicable safety and health standards. Determination of the suitability of any information or product for the use contemplated by any user, the manner of that use and whether there is any infringement of patents is the sole responsibility of the user. No significant environmental effects are known as formulated. As chemical use restrictions become more severe and product hazards are more thoroughly investigated, BPI will continue the effort to replace and/or avoid the use of hazardous materials. Where they are known and as more materials are added to the hazardous lists we will continue to work diligently to replace them. All data and information provided as of this date of preparation as per form OSHA "Right to know" Regulation 29 CFR 1910.1200 is done in good faith without warranty of accuracy or completeness. Conditions of use are often beyond our control and BPI disclaims liability for hazards connected with the use, mishandling or abuse of this material. BPI further offers no warranty of the results obtained through the use of this product. This information is provided solely for your consideration and evaluation. © 1994-2001. Brain Power Inc. BPI and all specific product names mentioned herein are trademarks of Brain Power Incorporated. Miami, Florida. BPI is a registered trademark with the US Patent Office and with similar offices in other countries.

| Section V Reactivity Data | Stability: | Unstable: <input type="checkbox"/> | Conditions to avoid: Avoid elevated temperatures. |
| | | Stable: <input checked="" type="checkbox"/> | |
| | Incompatibility: (Materials to avoid) None known. | | |
| Hazardous Decomposition or Byproducts Decomposition may lead to hazardous evolution of oxides of carbon. | | | |
| | Hazardous Polymerization: | May occur: <input type="checkbox"/> | Conditions to avoid: None known. |
| | | Will not occur: <input checked="" type="checkbox"/> | |

| | | | |
|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Section VI Health Hazard Data | Route(s) Of Entry: Inhalation? Yes Skin? Yes Ingestion? Yes | | |
| | Health Hazards: (Acute & Chronic) | Inhalation may lead to irritation of the respiratory tract. May be absorbed through the skin and may cause systemic toxicity in sufficient quantity. May be toxic by ingestion. | |
| | Carcinogenicity: NTP? Not listed IARC Monographs? Not listed OSHA Regulated? Not listed | | |
| | Signs & Symptoms of Exposure: | Inhalation: May irritate respiratory tract. Skin or eye contact: May be irritating and lead to redness. | |
| | Medical Conditions Generally Aggravated By Exposure: | None expected. | |
| | Emergency & First Aid Procedures: | Inhalation: Remove to fresh air immediately. Eye or skin contact: Flush exposed area well with water for at least 15 minutes. If any irritation persists seek medical attention. Ingestion: Administer water to dilute. Seek medical attention immediately. Do not induce vomiting. | |

| | | |
|-------------------------------------------------------------|-------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Section VII Precautions For Safe Handling And Use | Steps To Be Taken In Case Material Is Released Or Spilled: | Wear splash-proof chemical goggles and chemical resistant gloves. Avoid personal contact. Do not ingest. Soak up spills with inert absorbent material. Wash area well with large quantity of water. Store in a closed container for proper waste disposal. |
| | Waste Disposal Method: | Dispose of waste in accordance with all local, state and federal regulations. |
| | Precautions To Be Taken In Handling & Storage: | Wear protective safety glasses and chemical resistant gloves. Do not ingest. Avoid personal contact. Store in the container provided. Use only as directed. Wash hands after use. Do not expose to heat or flame. |

| | | | |
|-----------------------------------------|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------|
| Section VIII Control Measures | Respiratory Protection: (Specify Type) NOISH-approved respirator for paint spray | | |
| | Ventilation: | Local Exhaust: Recommended | Special: Comply with state and local regulations |
| | | Mechanical: (General) Acceptable | Other: Not applicable |
| | Protective Gloves: | Strongly recommended | |
| | Eye Protection: | Strongly recommended | |
| | Other Protective Clothing Or Equipment: | Protective lab coat recommended. | |
| | Work/Hygenic Practices: | Avoid all personal contact. Wear appropriate safety equipment. Wash well after use. | |
